

Ducted Vacuum Systems

FOR A CLEANER AND HEALTHIER HOME:

All dust and odours are carried to the power unit - no recirculation of dust and allergens into the air you breath and onto the surfaces you have just cleaned. Can be used without disturbing sleep.

SAFE & EASY TO USE:
Just plug a long light weight hose into the wall inlet - no need to move the vacuum and carry it up and down stairs. Safe around children.

VERSATILE & CONVENIENT: Ideal for carpets and hard flooring. A full set of attachments included with each model. There is a model to suit every home design and size.
