SEE WHO IS AT THE DOOR:

Feel safe in the knowledge that you do not have to open your front door to people that are unknown to you. 2 way speakerphone communication will allow you to talk to your visitor from the base station.

REMOTE OPENING:

Remotely open the door via the key button on the Speakerphone Base Station. Electronic door strike. (Optional Extra)

Standard Door Station

7" LCD Speakerphone Base Station

FLEXIBLE OPTIONS:

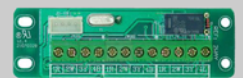

For larger homes or multi-level homes additional base stations can be installed. If multiple doors need to be monitored, additional door stations can be installed.

Standard Package Includes:
